Women's Microfinance Initiative is a non-profit organization providing micro-credit to impoverished women living in rural villages in Uganda. WMI provides small loans to help women finance their own micro-enterprises so they can stabilize their income, raise their standard of living, and reorient themselves and their families towards a better life.

TO: _____

FROM: _____

In your honor, a gift

has been made to the
Women's Microfinance Initiative
which provides microcredit, training and
family services to impoverished women in
rural villages in eastern Uganda.
